Support OLG School by playing in the tournament or become a sponsor of this special event. Your contribution will go toward enhanced curriculum and technology improvements that will provide an excellent learning experience for our students both on-site and virtually. To ensure that our children, the Bay Area's future adults, are well educated and grounded in sound moral values, our parents make enormous sacrifices to provide their children with the benefits of a Catholic education. Your gift to OLG is a gift to the children and to our community.
