

Our Lady of Guadalupe School in the MSJ Dominican Tradition

April 27, 2022

Issue 33

Dear OLG Families,

The Good News is that the Resurrection happened! The most important fact of our faith, the New Life of Easter, is our reality!

The other good news is that Mrs. Shannon Bellison will be OLG's 14th Principal on July 1! Congratulations, Mrs. Bellison on your selection and Thank-you for your Yes! OLG families, I am thrilled about this good news and so grateful to Fr. Joy and the Search Committee for their careful, prayerful work. When she spoke to the children on Monday morning, Mrs. Bellison shared that she said yes because of them. Yes, the children will always be Mrs. Bellison's guiding light. A little one did ask her if, once she became Principal, would everyone then call her "Sister Shannon" - she did say No to that question. I promise you, OLG families, that this transition will definitely follow the guiding light of what will be best for the children.

Monday was a first for OLG - the very first visit of the Easter Bunny to us! Appearing from somewhere, the Easter Bunny came to all the classrooms delivering Easter eggs, which held, not only some delicious candy, but an Easter Free Dress pass for Thursday, April 28! Our older ones reacted with quite a bit of surprise while the younger ones absolutely loved the visit!

Thank you to all the families who shared the results of their children's COVID-19 tests prior to returning to school. I'm so grateful to everyone for your continued care and follow-through regarding the protocols and to our God for keeping us safe. The Alameda County Public Health Department continues to strongly recommend maskings, including schools. Attached to this bulletin is a copy of a flyer entitled, "Preparing for 'Mask Season.'" Please take some time to review the information shared.

As we enter into this last phase of the school year, there are many events happening. Today we're Dining-in at The Habit. A flyer is going home with your child and can also be found in the bulletin. Join us for our Family Mass this Sunday, May 1 at 10:30AM. The next week is "United with Ukraine Week", May 2-6. See the flyer attached to this bulletin. At the end of that week, we will be celebrating the First Communion of a number of our children on Saturday, May 7. Then two days later we will celebrate that and the New Life of Easter at a student-body mass, Monday, May 9 at 11:15. Please come and join us for all or any of these wonderful Eucharistic celebrations. Please follow the Calendar Update and mark your own calendar or sync your calendar with the school's calendar online.

Then mark your calendar for the very first whole school community event held since the lock-down began - our Spring Concert - Monday, May 9 at 7:00PM in the Parish Center. We will be giving each family four (4) tickets. If you will not need all your tickets, please return them to school so we can distribute them to others. If you need more, please let us know. Masks will be required to enter the Parish Center. We are so thrilled to have this opportunity for the entire school family to be present while our children entertain you with their musical prowess!

May this Easter Season be one of great New Life!

With the Risen Christ,
S. Janice Therese, O.P.

CALENDAR AT-A-GLANCE

THUR	Apr. 28	Easter Free Dress!
SAT	Apr. 30	Golf Tournament

- † For peace that begins within our own hearts, that our love is accepted and then spread throughout the world to bring an end to violence everywhere!
- † For all workers devoted in every field, that they continue to have work in these hard times!
- † For all who are poor and homeless!

Dear Parents,

KidzToPros is offering STEM, arts, and sports Summer Camps for students ages 4 to 14 on our school campus this coming summer. Attached to this bulletin is a digital flyer with dates & additional information about the camps.

KidzToPros is offering an early registration **discount to our parents - \$75 off using code FLY75**. This discount is valid thru April 30th. You can register your student at kidztopros.com.

If you have any questions regarding camp programs, please email contact@kidztopros.com

Congratulations to three members of the OLG School Community on their Baptism during this Easter Season!

*Second Graders, **Ilíana Marquez** and **Luciano Beteta** were baptized on April 30, 2022.*

Henry Allen Kincheloe, Mrs. Kincheloe's (Class of 1975) grandson, was baptized on April 23, 2022. Congratulations Henry's Dad, Franklin Kincheloe (Class of 2004),

OLG Families you can still turn in your rice bowl to the school. Please have your children bring their rice bowls to school by the end of this week.

SURPRISE! The Easter Bunny visited OLG students

Ms. Felicitas helps the Easter Bunny grab the goodies to give to the children who

wait in anticipation..

react in sheer joy...

and wonder...

and shyness with laughter...

and pure shock...

...posing with the Class of 2022

and celebrating with the Preschoolers!

Never forgetting our Principal-to-be...
goodies for Mrs. Bellison also!

UNITED WITH UKRAINE WEEK

May 2-6, 2022

Let's Spread Awareness
and Work Together as
One!

Donate To Help Ukrainian
Refugees!

-How To Help-

This is a challenging time for Ukrainians. For United with Ukraine Week, donate coins to the large container that will be in your classrooms from May 2nd-May 6th. Additionally, donate \$1 on Thursday, May 5th to wear blue and yellow free dress.

“Don’t ask the world to change... you change first.”
- Anthony de Mello

-The Competition-

Every person can donate more than \$1 to help out. The classroom with the highest amount of money raised will receive a special treat from Student Council the and Student Council Coordinators.

PREPARING FOR "MASK SEASON"

Masks are strongly recommended for everyone in Alameda County, including in schools. There may be times when a mask requirement is put in place again either by the state or the county in response to increased COVID-19. There may also be times when masks are recommended less strongly than they are now or are even completely optional.

New Season

We're used to thinking about activities in terms of times of year, whether it be a favorite sport, event or holiday. We talk about "allergy season" as trees and flowers bloom in the spring or leaves fall in autumn. We deal with "wildfire smoke season" in the late summer/fall as well as "cold and flu season" in the winter. Mask season is no different.

New Habit

We take different actions or adjust habits during these seasons, such as taking allergy medication, staying inside when it's smoky, or getting a flu shot and washing our hands. Since COVID-19 will be with us for a while and future surges are likely, we will need to do certain things during "mask season" too.

WHEN IS "MASK SEASON"?

Many factors impact the decision to recommend more masking or impose a mask requirement, such as:

- Number of COVID-19 cases in Alameda County and nearby counties
- Amount of virus in the wastewater
- What we know about the variant that's in our community

Masks play a key role in reducing the transmission of COVID-19, especially during the early part of surges, and protecting our most vulnerable residents.

Don't put
away your
masks just
yet, have
them ready
for Mask
Season!
